## WORK EXPERIENCE

### ***Freelance Illustrator-Animator***

**Various Employers | July 2019 - Present**

- Demonstrate expertise in conveying complex ideas into captivating illustrations and animations for use in promotional videos, social media content, educational materials, and more for diverse clients.
- Collaborate with art directors and clients to deliver high-quality, digital assets that meets a company's specific needs.

### ***Author-Illustrator***

**Holiday House | August 2020 - Present**

- Write and illustrate two middle grade graphic novels (STORIES OF THE ISLANDS, published October 2023, and UNTITLED, to be published Fall 2026) with the option of a third book.
- Collaborate closely with editors, art directors, and graphic designers throughout the book creation process to achieve cohesive storytelling and aesthetic appeal.

### ***Associate Director of Development***

**Holler Technologies, Inc. | January 2023 - May 2023**

- Collaborated with creative teams to bring existing Holler IP to life by creating compelling and concise pitch materials, including synopses, episode ideas, character descriptions, and world-building outlines.
- Pitched original animated series concepts and presented them to networks including but not limited to Netflix, Paramount and Nick Jr.

### ***Animator***

**Holler Technologies, Inc. | March - July 2020, April 2021 - January 2023**

- Created intellectual property in the form of animated characters for the Holler Library as well as branded content for clients, including but not limited to Venmo, Coors, Haagen Dazs, Old Navy, and Ad Council.
- Collaborated with creative teams on multiple projects simultaneously, from initial concept ideation to delivery of high quality animated assets.

### ***Guest Artist***

**Art Prof | February 2020, March 2022, October 2022**

- Contributed to the development of educational content and lesson plans, collaborating with Art Prof to provide equal access to visual arts education on a global scale.
- Demonstrated expertise in Illustration and Graphic Novels, providing insightful commentary and guidance, and showcasing advanced skills and techniques through YouTube livestreams.
